

NATIONAL EAGLE SCOUT ASSOCIATION 2015 EAGLE SCOUT DIRECTORY FAQ

1. I received an email/postcard/phone call from a company asking for my personal information. They said they were working on a directory for the National Eagle Scout Association. Is this a legitimate project, or is it a scam?

We have partnered with PCI (also known as Publishing Concepts) to produce our new Eagle Scout directory. PCI is a company located in Dallas, TX that publishes directories for educational institutions, fraternities, sororities and military organizations across the nation. This project allows the National Eagle Scout

Association to receive important updates to our database so we know more about our Eagle Scouts and how we can better serve you and future Eagle Scouts.

2. How do I know my information will only be used for directory purposes?

The National Eagle Scout Association has a contractual agreement with PCI that states:

a. The names, addresses and information provided to PCI by the National Eagle Scout Association for the publication of the Directory will be held confidential by PCI, except to the extent that they are utilized in, or in the preparation of, the Directory and except as required by court order or law.

b. The Directory will be made available only to members of the National Eagle Scout Association. Upon completion of the project, PCI will return to the National Eagle Scout Association any and all electronic files that have been supplied by the National Eagle Scout Association or produced by PCI in connection with the production of the Directory.

3. I would like to verify and update my information. How may I do this?

If you have received a postcard or an email with a telephone number, you may call the number to speak with a dedicated representative for the National Eagle Scout Association project. The representative will verify all the information we have on file for you and make any updates where needed.

If you have received an email with an embedded link, you may go to the online site to review your information. If you have questions, you may call PCI's customer service desk at 1.800.395.4724.

4. Can anyone purchase a yearbook?

The National Eagle Scout Association Eagle Scouts Directory is available for sale only to National Eagle Scout Association members.

5. When will I receive my directory?

The total duration of the directory project is about 12 months. Since there are over a million Eagle Scouts, we have split this project up into four directories, segmented by region.

Region 1 starts in April of 2014, so the directories will be shipped in April of 2015.

Region 2 starts in May of 2014, so the directories will be shipped in May of 2015.

Region 3 starts in June of 2014, so the directories will be shipped in June of 2015.

Region 4 starts in August of 2014, so the directories will be shipped in August of 2015.
