

January 1, 2019

To all BSA volunteers and parents:

Below is a statement from our insurance agency regarding the volunteer insurance coverage our council provides for each volunteer and parent that drives scouting youth to and from scouting events:

*The Southeast Louisiana Council has purchased volunteer auto coverage with the New Hampshire Insurance Company. With this coverage, the Southeast Louisiana Council and the volunteers/parents are protected when they travel in their vehicle to and from scouting events with the scouts. This coverage has been mandatory with the national office of the Boy Scouts of America for each Council since 2017 due to the number of volunteers driving youth to and from events and liability concerns. The council pays this premium from the \$6.00 per person collected at recharter beginning in 2019. This is a secondary policy above and beyond what each volunteer's/parent's personal auto policy coverage provides. - Eagan Insurance Agency*

If you have any questions, feel free to contact the council office at 504-889-0388.

Sincerely,

Ernesto Carballo, Jr.  
Scout Executive/CEO
