

CATAOUATCHE DISTRICT CAMPOREE

October 12-14, 2012 @ Salmen Scout Reservation

A camporee is a gathering of many scout troops, and it brings troops and patrols together to do things they could not do individually. Camporees are opportunities for Webelos dens to join troops in the outdoors. They get a taste of what scout camping is like and get acquainted with scouts in the troop. Bringing Webelos and scouts together at camporees is important to getting them excited about scouting. Camporees are opportunities for patrol camping. The best troops make full use of the patrol method, and the best camporees do likewise. Some camporees have lots of patrol competition, where patrols test their teamwork and scout skills against each other. Other camporees are less competitive, but are still structured around scouts doing things in patrol groups.

Registration Fees are \$8.00 per Scout and Adult if registered by Monday, October 1st. All other registrations turned in after Monday, October 1st will be \$15.00 per Scout and Adult. Please complete the registration form below and return to the Council Service Center.

Unit #: _____ Troop Leader: _____
