Fund Your Program

Imagine kicking off your Scouting year with a 12-month program and not collecting any money from Scouting families! Units can pay for the entire program without any out-of-pocket expenses by selling popcorn. Fund your program is step two of the Ideal Year of Scouting process.

Your Ideal Year of Scouting (IYOS) could require more sales. You can also go to www.bsaselacouncil.org, click on unit fundraising, and get the fillable version of budget planning worksheets.

Learn a little more about popcorn here and use the worksheet to determine how popcorn sales will achieve your units's Ideal Year of Scouting.

5 Steps For A Successful Popcorn Campaign

1. Establish an annual plan and budget using the Ideal Year of Scouting work sheet online. With input from your Scouts, parents, and leaders you can use this guide to write your budget.
2. Set a unit popcorn sale goal and break down to a per-Scout-goal based on your IYOS budget.
3. Put together an exciting incentive program for your unit along with the prize program. For example, sell \$100.00 and throw a pie in your leader's face or hold a pizza party for the highest selling den or patrol!
4. Conduct a FUN Unit Popcorn Kick-off to communicate the goals to families.
5. Utilize all sales methods available to make sure your unit and Scouts hit their goals.
 - Take orders
 - Show & Sell the products
 - Online sales
 - Show & Deliver the products
 - Parents selling at work help their Scouts hit their goal
 - Store front sales: talk to your local businesses to see if you can sell there.

Friends of Scouting

The Southeast Louisiana Council operates as a non-profit organization to support all the Packs, Troops, and Crews in our service area.

The Friends of Scouting campaign helps fund the Scouting Program. This campaign is an opportunity for communities, businesses and families to support the Scouting movement for over 10,000 Families in southeast Louisiana. The annual campaign raises approximately 25% of the operating budget each year. On average, \$300 per youth is needed to provide programs for one year. Financial contributions to this campaign from scouting families and outside organizations ensure that our Council can offer unparalleled experiences to more youth.

The Family Friends of Scouting program explains to parents how our Council is financed and how their contributions make a difference in the lives of youth. Presentations are done typically at Blue and Gold Banquets or Pack Meetings and Courts of Honor or other well attended unit event. Presentations typically take 15 minutes of the total program. Representatives from each unit are asked to assist by helping promote the presentation or giving presentations to other units. Families that invest in Friends of Scouting are eligible for special recognition items. Units that conduct presentations may be eligible for free rank patches from the Scout Shop.

Presentations begin in December 2024 for the 2025 campaign. Presentations should be completed by May 31, 2025.

Unit Money Earning Application

GUIDES TO UNIT MONEY-EARNING PROJECTS

A unit's money-earning methods should reflect Scouting's basic values. Whenever your unit is planning a money-earning project, this checklist can serve as your guide. If your answer is "Yes" to all the questions that follow, it is likely the project conforms to Scouting's standards and will be approved.

1. Do you really need a fund-raising project?

There should be a real need for raising money based on your unit's program. Units should not engage in money-earning projects merely because someone has offered an attractive plan. Remember that individual youth members are expected to earn their own way. The need should be beyond normal budget items covered by dues.

2. If any contracts are to be signed, will they be signed by an individual, without reference to the Boy Scouts of America and without binding the local council, the Boy Scouts of America, or the chartered organization?

Before any person in your unit signs a contract, he must make sure the venture is legitimate and worthy. If a contract is signed, he is personally responsible. He may not sign on behalf of the local council or the Boy Scouts of America, nor may he bind the chartered organization without its written authorization. If you are not sure, check with your district executive for help.

3. Will your fund-raiser prevent promoters from trading on the name and goodwill of the Boy Scouts of America?

Because of Scouting's good reputation, customers rarely question the quality or price of a product. The nationwide network of Scouting units must not become a beehive of commercial interest.

4. Will the fund-raising activity uphold the good name of the BSA? Does it avoid games of chance, gambling, etc.?

Selling raffle tickets or other games of chance is a direct violation of the BSA Rules and Regulations, which forbid gambling. The product must not detract from the ideals and principles of the BSA.

5. If a commercial product is to be sold, will it be sold on its own merits and without reference to the needs of Scouting?

All commercial products must sell on their own merits, not the benefit received by the Boy Scouts. The principle of value received is critical in choosing what to sell.

6. If a commercial product is to be sold, will the fund-raising activity comply with BSA policy on wearing the uniform?

The official uniform is intended to be worn primarily for use in connection with Scouting activities. However, council executive boards may approve use of the uniform for any fund-raising activity. Typically, council popcorn sales or Scout show ticket sales are approved uniform fund-raisers.

7. Will the fund-raising project avoid soliciting money or gifts?

The BSA Rules and Regulations state, "Youth members shall not be permitted to serve as solicitors of money for their chartered organizations, for the local council, or in support of other organizations. Adult and youth members shall not be permitted to serve as solicitors of money in support of personal or unit participation in local, national, or international events."

For example: Scouts BSA/Cub Scouts and leaders should not identify themselves as Scouts BSA/Cub Scouts or as a troop/pack participate in The Salvation Army's Christmas Bell Ringing program. This would be raising money for another organization. **At no time are units permitted to solicit contributions for unit programs.**

8. Does the fund-raising activity avoid competition with other units, your chartered organization, your local council, and the United Way?

Check with your chartered organization representative and your district executive to make certain that your chartered organization and the council agree on the dates and type of fund-raiser.

The local council is responsible for upholding the Charter and By-laws and the Rules and Regulations of the BSA. To ensure compliance, all unit fund-raisers MUST OBTAIN WRITTEN APPROVAL from the local council NO LESS THAN 14 DAYS before the fund-raising activity.

Council Programs

Advancement

One of the core methods of Scouting is the advancement program. Cub Scouts and Scouts BSA learn and grow in the program by setting goals and reaching them, receiving public recognition as they progress through the ranks; Venturers are recognized through awards and recognition based on their interests and the interests of their Crew.

Internet Advancement

For tips and step by step instructions on how to use Internet Advancement, go to www.bsa-selacouncil.org, click on “Advancement & Recognition”, then “Internet Advancement Tool”. In order to purchase advancement patches from the Scout Shop, units must provide a printed copy of an internet advancement report. Units should save copies of advancement reports for record keeping purposes, and should submit advancement reports before the end of each month or more often if needed.

General Programs

New Orleans Bowl

Every year, the Louisiana Superdome hosts the New Orleans Bowl, a post-season college bowl game certified by the NCAA. The game is played between the Sun Belt conference champions and a team from Conference USA. The winner walks away with the esteemed trophy and title of New Orleans Bowl Champions. The date for the event is usually in December but has not yet been posted.

Scout Night with Tulane University

Tulane University welcomes scouts and families to join them for Scout Night with Tulane University. Discounted tickets will be available to Scouts. Date TBD.

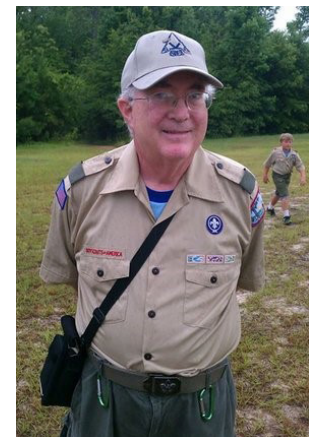

Council Recognition Banquet

Each year, the Southeast Louisiana Council takes time to salute exceptional volunteers and scouts. The Silver Beaver is the highest award bestowed by the council to volunteers for service to Scouting and their community. Scouts who earn the rank of Eagle are recognized for their accomplishments with a specially designed medallion for those Eagle Scouts in attendance. The banquet will take place on March 18, 2025. Nominations for awards are due the end of January.

Gene von Rosenberg Campership Fund

Following his passing, a campership fund was established on behalf of longtime Scoutmaster Gene von Rosenberg. Thanks to the generosity of friends and scouting alumni, the fund now issues a number of camperships for those in need of financial assistance to attend Southeast Louisiana Council resident camp programs. Camperships are limited in number and are approved on need/first come/first served basis. Camperships do not exceed 1/2 of the regular registration fees for camps. The deadline to apply for a campership is May 4th - applications will then be reviewed by a volunteer committee and the recipients notified. Request an application at wingate@sccnola.com.

A team of dedicated volunteers is bringing the quest for champions to the Southeast Louisiana Council. Pinewood derby winners at the Pack level will have the opportunity to compete for a district championship, and those winners will be able to compete at the Council level. Get those cars ready.

Southeast Louisiana Council High Adventure Contingents

Unit Opportunities

Many people think that the only way someone can attend a national high adventure base is via a council contingent. This could not be farther from the truth! The majority of the treks to the bases are by individual units. The upcoming council high adventure guide will have details on how to take advantage of these opportunities but these links will give you some basic information:

Philmont – Go to <http://www.philmontscoutranch.org/> and click on the Camping link

Northern Tier – Go to <http://www.ntier.org/> and click on the Trip Planning link

Sea Base – Go to <http://www.bsaseabase.org/> and click on the Adventures link

The Summit – Go to <http://www.summitbsa.org/> and click on the Programs link

Individual Opportunities

In addition to unit programs there are opportunities for individual Scouts and Venturers at some of the national high adventure bases. Again, detailed information will be in the upcoming guidebook but these links are a wealth of information about these programs:

Philmont – <http://www.scouting.org/sitecore/content/Philmont/Camping/IndividualPrograms.aspx>

Northern Tier – <http://www.ntier.org/About/Summer%20Canoe%20Trips/IndividualPrograms.aspx>

Also, in some cases it may be possible for an individual Scout or Venturer to join an existing Crew if they are looking to fill a spot. Information about this can be found on each high adventure base website.

Order of the Arrow Programs

Are you a member of the Order of the Arrow? If so, there are some special opportunities available to you that allow you to experience the programs of Philmont, Northern Tier or Sea Base while providing you with the opportunity to give service to the base. Follow this link for more information on these programs: <http://adventure.oa-bsa.org/>

Adult Opportunities

There are also many opportunities for adult leaders to take training courses in some beautiful settings. The following links give more information about these programs:

Philmont Training Center – <http://www.philmontscoutranch.org/PTC.aspx>

Northern Tier Training Center – <http://www.ntier.org/TrainingCenter.aspx>

Sea Base - <http://www.bsaseabase.org/ConferenceCenter.aspx>

The Summit - <http://www.summitbsa.org/programs/training/>

Additional information about these trainings is generally released toward the end of the year and will be posted on the Council webpage when available.

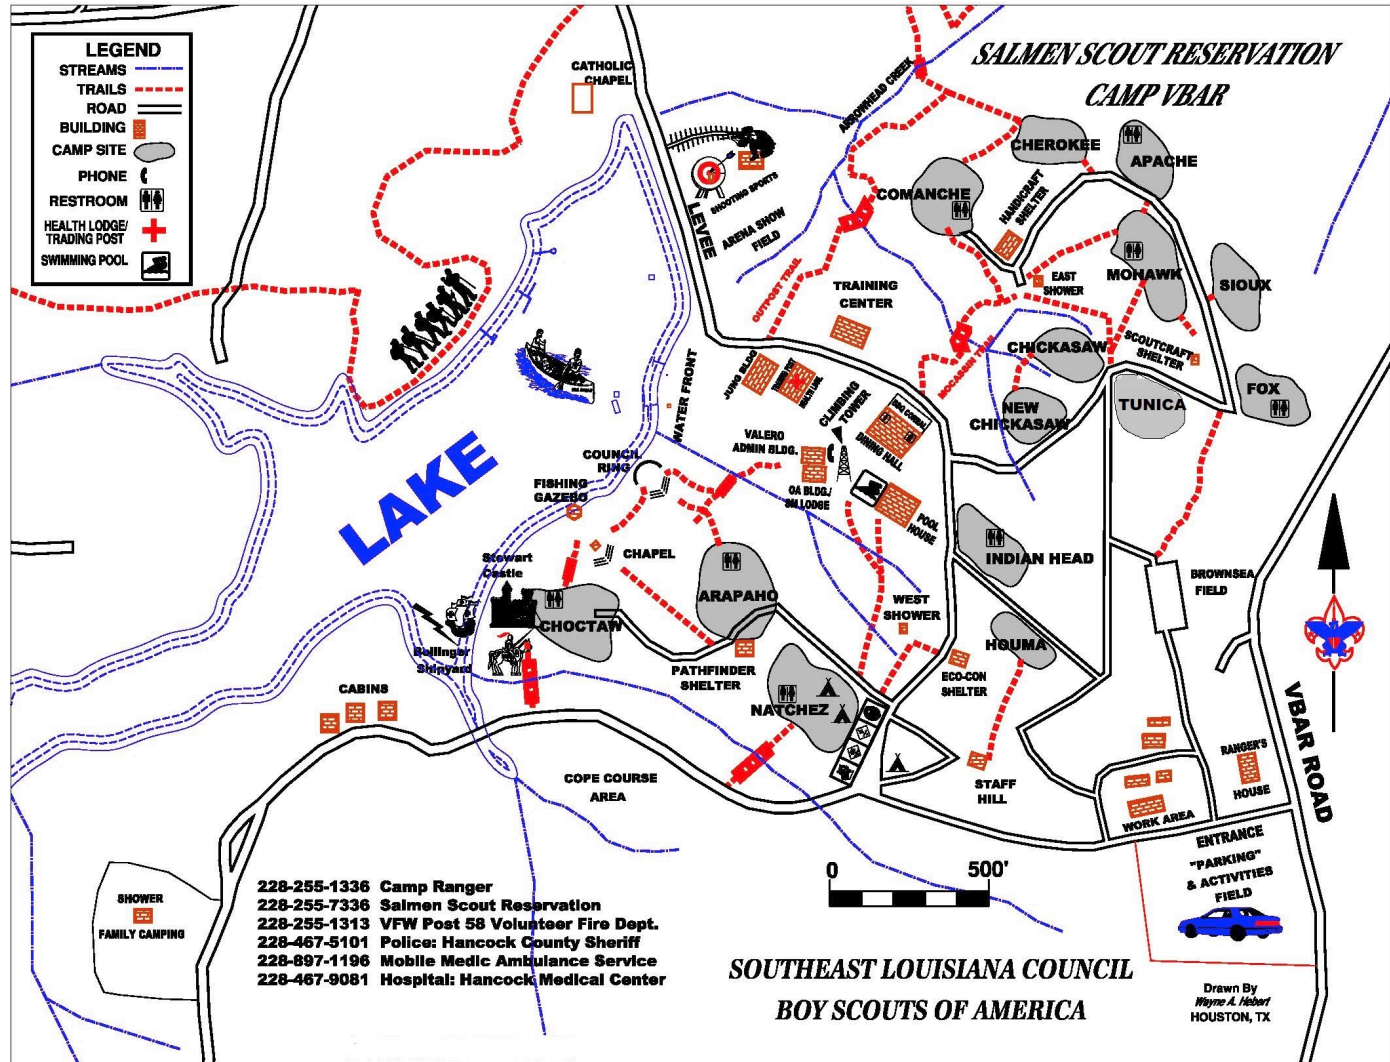

Looking for High Adventure in the state of Louisiana? Units might want to check out the Evangeline Area Council's Atchafalaya Swamp Base – learn more at www.bsaswampbase.org

Camp V-Bar

Located on 1,500 acres near Kiln, MS, Camp V-bar is the Southeast Louisiana Council's signature property for Scouts and Scouters to participate in the outdoors. Many of the programs highlighted are conducted here, but in addition, units can take advantage of the following opportunities:

Outpost Activities:

The Outpost Trail started in the 1990's as a backpacking trail around the entire lake. Three Adirondack Shelters along the trail provide a place to overnight, or hold program. The trail system took a blow with Katrina, and fell into disuse. Over the past several years, the Order of the Arrow has been working to both reclaim existing trail and extending the trail. Follow the V Bar arrowhead trail blazes at the main trailhead just down from the Training Center, or find trailheads in Sioux, Apache, Cherokee and Comanche campsites. Discover the Brownsea Bridge over Arrowhead Creek, nap in the Hammock Ring, and overnight at Talking Wolf shelter. See an OA Ceremony ring on the bank of Bell Creek, and observe Forestry in action on the way to Forest Hut. Rest up at Eagle's Nest, before heading back to base camp.

Weekend Camping:

Online reservations are the only way to reserve facilities at Salmen Scout Reservation. Please go to the council website to reserve facilities or campsites. Weekends shaded in yellow on the council calendar are open for unit camping. We try to have at least 3 weekends per month open for camping by units. You will be able to reserve more than one facility at a time as long as **you book 14 days in advance**. If the calendar shows NOT AVAILABLE, that means there is another event using the facility on that weekend or camp is closed; there will be no exceptions to weekends camp is closed.

The pool and some campsites are unavailable from the last day of Thanksgiving Camp through April for unit camping. Safe swim certificates from scout online training will need to be uploaded along with either valid BSA or Red Cross Lifeguard credentials prior to reservation approval when using the pool.

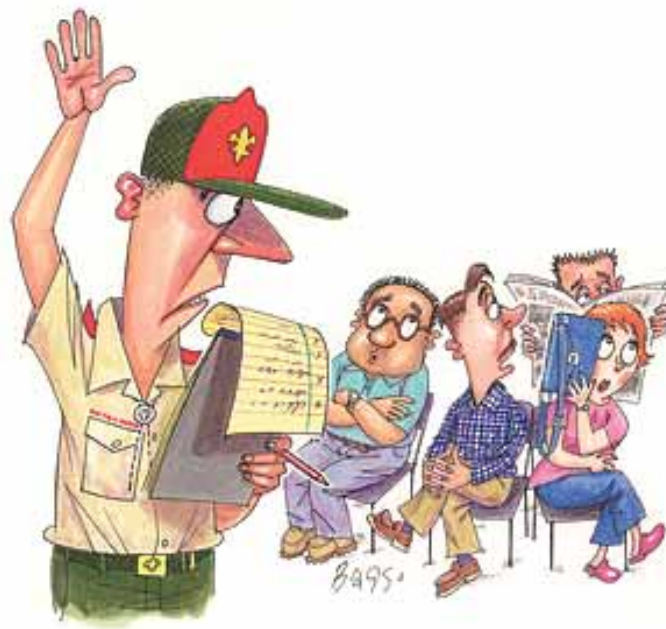

Remember...you must have 2 DEEP leadership at all events. We will be checking all reservations to make sure the Youth Protection guideline is followed. Thanks.

Volunteer Leadership

Recruiting new leaders is a continuous process. We always need to be on the lookout for opportunities to expand the Scouting family, but we need to do so by recruiting the right person for the right position. We need to be aware, though, that the person we want to serve in a leadership position may not be available to serve at that time. By following the seven steps to recruiting new unit leaders, we can avoid recruiting people just to have them around with no specific purpose. If we do not give them a job, then we risk that they will do nothing for us since we have never asked them to do anything.

To learn about the 7 steps to selecting Quality Leaders watch the training modual at <http://www.scouting.org/Training/Adult/Supplemental/SelectingQualityLeaders.aspx>

Training

Training is critical to the success of any Scouting unit. Training fosters understanding of how the program works and introduces volunteers to resources that help make the program better – and helps keep kids safer! Much of the basics can be found via the online portal my.scouting.org. Follow the guidelines at https://filestore.scouting.org/filestore/idg/Create_Account to set up your online profile and get started on your training library. The Southeast Louisiana Council requires all leaders with direct contact with youth (Cubmasters, Scoutmasters, Assistants, Den Leaders, etc.) to be trained in order to maintain their registration with their units.

Youth Protection Training

All leaders **MUST** complete Youth Protection training via my.scouting.org every 2 years. This training must be current for an adult registration to be updated. If you need to take the training, please go to my.scouting.org and login or create an account.

Bullying

The values of Scouting make it clear that bullying cannot be tolerated. Scouting leaders have a unique opportunity to teach respect and acceptance of others. This training focuses on enabling adult leaders and parents to increase their awareness of the incidence and effects of bullying, to create an anti-bullying culture in their Scouting units, and to empower Scouts to assist those targeted by bullies wherever it occurs. Strategies for supporting the victims of bullying and for helping Scouts who bully others develop more appropriate social skills are presented as well.

It Happened to Me/ A Time to Tell

It Happened to Me/ A Time to Tell are video presentations produced by the Boy Scouts of America for viewing by Cub Scouts, Scouts BSA Youths and their parents. The situations of possible peril presented in the video are intended to be ambiguous, allowing parents to be as specific as they wish in discussing personal safety rules with their children. The intent of the video is to develop communication between parent and child about personal safety decisions made by the child—but with help from parents or other trusted adults. Viewing of the appropriate films will be required annually.

Basic Leader Training (online)

All basic leader training for Unit Leaders, including unit committees, is available online via my.scouting.org. Check back periodically for updates and to maintain or refresh knowledge on courses.

Other Training

B.A.L.O.O.

For new Cub Leaders, Basic Adult Leader Outdoor Orientation (BALOO) is a great way to get introduced into the outdoor outing part of Scouting. Taking just one day, participants learn how to select campsites, some camping hacks, and how to prepare to lead your pack on a camping activity. Packs must have at least one leader trained in BALOO to go on any camping outing.

Introduction to Outdoor Leadership Skills

Required for all Scoutmasters and Assistant Scoutmasters, the Intro to Outdoor Leader Skills (IOLS) prepares adult leaders with how to teach Scouts BSA-level skills, especially the ones found at Tenderfoot, Second Class, and First Class ranks, using the BSA patrol method.

Trainer's EDGE

Want to learn HOW to teach effectively? Trainer's EDGE instructs in how to utilize the BSA EDGE (Explain, Demonstrate, Guide, and Enable) method – good training not just at the unit level, but also translates outside of Scouting as well.

What is Wood Badge?

WOOD BADGE

Wood Badge is the ultimate training course offered at the local Council level. Limited to 48 participants. Participants gain perspective on “Leading to Make a Difference”, “Tools of the Trade”, “Living the Values”, “Models for Success”, and “Bringing the Vision to Life”. The next course will be in either late 2025 or early 2026.

2,000+

Scouts and non-scouts aged 6-12 were measured in six key areas.

With fun and discovery at every turn, Scouting makes the most of right now. But what's more, it builds positive character and provides young people a foundation they can stand on to embrace opportunity, overcome obstacles, and make new discoveries.

SCOUTING WORKS.

KEY FINDINGS:

The more time kids spend in Scouting, the **better the outcomes** in character development.

Scouts are more likely to embrace **positive social values** than non-scouts

Those who attend meetings regularly report **higher outcomes** virtually across the board when compared to Scouts with lower attendance

Scouts who are **more engaged** in the program report higher outcomes in nearly every category.
