The screenshot shows the BSAQA Tester interface. At the top, there is a navigation bar with "Prepared. For Life." on the left and "Welcome BSAQA Tester", "Logout", "FAQ", "Release Details", and "Legacy MyScouting" on the right. Below the navigation bar, there are two tabs: "Home" and "District". The "District" tab is active, showing a "Select BSA Organization" section. This section has a search field (circled in red) and a list of units. The units listed are: "Five Trails 38-1", "0101 (VFW Post 2494)", "0160 (VFW Post 2494)", "0175 (VFW Post 2494)", "0183 (PLYMOUTH PARK BAPTIST CHUR...", "0281 (Senter Park Recreation Center Ad...", "0366 (VFW Post 2494)", "0509 (The Episcopal Church of the Rede...", and "0511 (VFW Post 2494)". There is a "40 More" link at the bottom of the list. On the right side, the "Organization Details" section is visible for "Five Trails 38". It shows a profile picture with the letter "D", a "Chairman" named "Don" with email "dj@...com", and a "Commissioner" named "David" with email "qadiross@earthtestlink.com.au". There is also a "Social Media Guidelines" section with email "email@yahoo.com" and an "Add Sub Organization" button.

For District Key 3, you will see district organization details on the right and a searchable list of units that are in your district organization structure on the left. To more quickly locate a unit, type a unit number or any portion of the unit name in the search field. After selecting a unit, organization details of that unit will display on the right

### Boy Scouts of America Social Media Guidelines

[Note: It is not the goal of this document to provide a step-by-step "how to" on creating and using the specific features of social media channels. Such guides already exist and can be found elsewhere. Additionally, social media changes regularly, so this document reflects the current guidelines as determined by the BSA and is subject to modifications and amendments from time to time as required.]

#### INTRODUCTION

It's an exciting time to be part of the BSA for many reasons. One of those is that new communication vehicles now enable current and past Scouts and Scouters, as well as those who are interested in participating or are just interested in Scouting in general, to communicate directly with each other about Scouting. Online social media tools such as Facebook, Twitter, and YouTube have made it possible for virtually anyone with an Internet connection to create and be part of online communities where people can discuss Scouting and share stories, photos, videos, and other types of media.

Although using social media is not a Scouting activity, their use to connect with others interested in Scouting can be a very positive experience. But the creation and maintenance of these channels requires forethought, care, and responsibility. For that reason, the Boy Scouts of America has developed the following guidelines to help you navigate the use of social media channels. These guidelines are a complement to the BSA's existing Youth Protection policies and training.

To learn more about the BSA Social Media Guidelines, select that link. A new window will open directing you to BSA's website of its guidelines.
