

The 2019 Non-Event, Event

Supporting Boy Scouts of America programs in East St. Tammany Parish

Love helping youth in our region, but tired of having to buy tickets to everything in town to do it? Then this is the “non-event” you’ve been waiting for! We are asking you to help support the leadership and character building programs of the Boy Scouts of America for local youth this year. Your donation will go to support more than 780 Scouts in programs including Cub Scouts, Scouts BSA, and Career Explorer Posts.

On Thursday, May 16th we’ll have a completely optional “non-event” casual gathering with heavy hors’devours and libations. Invitations will be sent to those supporting at the \$250 giving level and above. Please consider supporting these life-changing programs for youth at one of our giving levels this year.
