

Fifth Annual

NEW ORLEANS VETERANS' DAY PARADE

Please join us in welcoming home our heroes!

Sponsorship packages are available for corporations and organizations wishing to show support for our Veterans. To learn more, contact us using the attached form. Individuals may contribute online at <http://www.lakeviewvets.com>. Individual contributions will help sponsor providing transportation and support for our senior veterans, veterans with disabilities, and Families of the Fallen.

As a financial contributor to the Lakeview Veterans Day Parade, you are helping the committee pay for the various services required of all events by the City of New Orleans. Those services include procuring liability insurance, barricades to insure the safety of the parade area, sanitation, and trash disposal. Additionally, the committee has various administrative costs such as postage, printing, certificates, vehicle signs, group banners, and advertising expenses.

Your financial contribution, in short, allows a Veteran or group of Veterans the ability to march in the peace and freedom they have struggled to guarantee us.
