

With 36+ acres of southern pines, magnolias, and oaks River Bark Retreat is the perfect get away for your next family or group adventure. With two outdoor fire pits and fenced patio area, you will have the prime spot to view the various wildlife that visit the property in the mornings at evenings.

At River Bark Retreat, we welcome the kids and the canines! Between the nature trails just steps out the front door, the patio overlooking the small pond and our collection of outdoor and indoor games, there is something to entertain everyone.

The main house (which comfortably sleeps 14 and has 2 full baths) is wheelchair accessible and wired for Wi-Fi. It is also includes a doggie door that leads to a fenced 1/2 acre yard surrounding the main house. Enjoy the wood burning fireplace in the living room, as well as a full kitchen, laundry, and dining room that seats up to 14.

Nestled back in the woods are two yurts overlooking the pond. Our nautical-themed yurt is even wheelchair accessible. Each yurt includes one queen bed, and a shared outdoor shower in the barn and composting toilet. It's glamping at its finest!

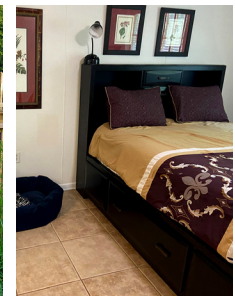

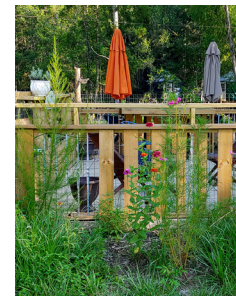

River Bark Retreat can be enjoyed by individuals desiring a quiet weekend away from the city to enjoy nature and is the perfect destination for family reunions, church or company retreats or even organizations seeking dog-friendly facilities to conduct training exercises or search and rescue trials.
