- There are in fact two ways scouts can enter their sales with their CAMP MASTERS system even if they are also using the sales app in person:
 - Scouts can sell via the paper form, returning home to enter their sales information at the customer level.
 - Scouts can sell via the paper form, return home and enter one take order for the product they need from their sales.

To place Scout orders into the system, go to Dashboard and Select Place a take Order

Northern Lights Council Final Order 2021

Brayden M. | Troop 213

Hi and thanks for visiting my popcorn page. My Scouting adventures began at age 6. I became interested in Scouting because all the adventures looked like a lot of fun. My biggest adventure so far is going to Camp Wilderness. I'm currently fundraising to earn my own way to Camp Wilderness for winter camp and summer camp. Your popcorn purchase here is a donation that helps me and my fellow Scouts earn our badges and participate in exciting adventures this coming year. Your support means very much to me because it is helping me earn my way to some amazing great skills I will use in life. Also will help me create great memories with my friends in scouting. You'll help me out today, won't you?
